**To Whom It May Concern**

This is to confirm that Yusuf Uzun worked as a Senior Systems Engineer in NEC Australia Pty Ltd's Ankara Branch from 1 September 2006 until 26 June 2009.

During his time with us his role included constructing, maintaining and technically supporting Turk Telekom's DSL Network in Turkey. He also provided occasional technical support for DSL networks of Superonline Tellcom in Istanbul, Telecom Italia in Italy and Linecom Ltd in Hungary.

Yours sincerely,

**Peter Hoy**  
Director, Human Resources & Corporate Administration
